Total Liability Coverage Clarification

The coverage limit stated in this policy should not be interpreted in isolation. To determine the full scope of Public Liability protection, it is essential to review this policy in conjunction with the Equipment Hirer's primary insurance. The total amount of liability coverage available is the sum of:

- The limit specified in the Equipment Hirer's primary insurance policy **plus**
- The limit specified in this policy.

This combined limit reflects the full extent of insurance protection in place.

We trust the above to be in order, however if you have any queries, please do not hesitate to contact us.

The information is correct at the time of issuing this statement, if the policy is cancelled then the information becomes invalid.

Yours sincerely
